

Materials

Suggested material lists are provided, but they are only suggestions. If it's safe it can be used! Always check materials for safety and cleanliness before adding them to your design centre. Consider keeping a stash of the most commonly utilized items, such as:

- Cardboard: boxes, sheets, tubes
- Paper: construction, wrapping, patterned, tissue, bags, cups, plates, newspaper, magazines, cards, envelopes, cardstock
- Wood: popsicle sticks, skewers, wood scraps, dowels, toothpicks
- Metals: broken parts of household items, hardware, paper fasteners, pipe cleaners, foil, craft wire
- Plastic: straws, bowls, lids, containers, stir sticks,
- Small hard items: rice, beans, pasta, buttons, beads,
- Small soft items: cotton balls, pom poms
- Fabric: scraps, socks, felt, ribbon, netting, mesh, tulle,
- Other: craft foam, Styrofoam shapes, stuffing, feathers, elastic bands, clamps, string, wool, rope
- Adhesive: glue, masking tape, clear tape, electrical tape, duct tape
