

Hello Parents

RE School Supply Orders for all Mission Schools

I am so excited for the re-invention of Staples School Tools Supply kits. The website and lists are ready on the site now, <https://www.staples.ca/pages/schooltools#parents> however there are a few items that have not arrived due to Covid shipping delays. Feel free to buy early and order the out of stock items when they arrive. Also, ship to store has not been activated yet, but free shipping to your home is available. If you would like it shipped to the store, you can use our address as the shipping address. 900-32525 London Ave, Mission BC V2V 6M7.

New this year,

- Pricing is our current retail price plus up to 10% off.
- Covid friendly ship to home or curbside pickup here at the store.
- Remove anything from the list that you already have
- Add more supplies like lunch kits, water bottles etc

And as always, all supplies are teacher approved and are guaranteed for the entire school year

Thanks for your patience as we have been getting this new program launched
