BC School Fruit and Vegetable Snack & Dairy Programs

Our school was very fortunate to be selected to participate in the BC School Fruit and Vegetable Snack & Dairy Programs this year. Students will receive a free snack twice a week every other week. This snack is not meant to replace food normally consumed at recess or lunch. The goal is to increase fruit and vegetable consumption. Fruits and vegetables contain vitamins, minerals, phytochemicals, antioxidants, and fibre that promote health and prevent disease. Studies show that Canadians in general are not eating enough fruits and vegetables. Eating one more fruit or vegetable a day can make a difference. The fruit will be delivered to the school already washed and ready for consumption. We will also be participating in a dairy (milk) program.

There is no cost to have your child participate in this wonderful program. We do however ask that you complete the bottom of this form and return it to the school as soon as possible.

Sincerely,

Dr. Lisa Clarke
School Principal
